## **PRESIDENT'S REPORT**

At our last meeting it was fun to surprise seven members of the DSV Committee with Life Membership, in recognition for their ongoing contributions to our Society. The looks on some of their faces when I asked them to come forward was priceless!

While many are learning new ways to dowse and help people, I urge you to remember to ask permission first. Asking "Can I? Should I? May I?" covers all bases. This applies whether you're dowsing for yourself or someone else, as well as if you are map dowsing or distant healing a property.

At our November meeting we'll have a Panel of Dowsters, so think about what you'd like to ask them then! **Lyn Wood, President**

## **OUR LAST MEETING**

Seven long-serving DSV Committee members were awarded Life Membership of the DSV, in appreciation for their continued dedication and commitment to the DSV.

*The new "Lifers" L-R: Tony Hill, Lynne Fitzgerald, Alan Robison, Caroline Koludrovic, Mary Ward, Robert Griffiths and Pauline Abbonizio*

Once the fun settled, our meeting began in earnest. As the speaker for the day, Heather Wilks (*DSV Newsletter Editor*) introduced Raymon Grace's latest online video "Random Act of Kindness". This is a short, powerful video that's great to return to when life feels a bit tough.

She then screened a portion of Raymon Grace's DVD, "Blueprint For Freedom", his film that took my own dowsing to another level.

For the next part, she introduced a different form of energy healing - FasterEFT (Emotionally Focused Transformation), a modality I qualified in after extensive training with Robert G. Smith on his visits to Melbourne from America.

## DOWSING JOURNEYS

Developed from an interview by DSV Member, Bernadette Hogan, as part of an ongoing segment.

**Maureen Potter** - My introduction to dowsing was through a friend, Bernadette Saulenier. At a workshop she talked about a dowser George Williams, who had founded the DSV. My husband and I owned a printing business at the time and we asked George to come and dowse the building to clear any unbeneficial energies.

## AN EXPERIENCE OF FASTEREFT AT THE DSV.

By DSV Committee Member, Lolita Gunning.

At the last DSV meeting, Heather Wilks demonstrated Robert Smith's Faster EFT healing method. I see this as another form of dowsing, where you tap on the energy meridians in your body, instead of spinning a pendulum or using a bobber to work with energy.

First, you acknowledge the problem and the intensity of it. You have the intention of clearing it. Then you tap it out on certain points of your body, until you get to zero. You breathe it out saying the word "Peace" as you go into a peaceful, safe place in your mind.

## SMART METERS

A personal observation by DSV Committee Member, Lolita Gunning.

There has been a great outcry about the Smart Meters that have been installed in our homes and the effects on people's health. What can we do about them?

As Dowzers, we know that we don't need to be victims of our circumstances. We have tools which we can use to empower ourselves and there are ways in which we can transmute harmful effects of energy. Joey Korn's method of turning the harmful EMFs into beneficial ones has been shared in the DSV Newsletters several times. Here's the link:
