PRESIDENT'S REPORT

I want to manifest more magic in my life. I've already seen some lately and it's so wonderful. I believe it's about visualising, asking, then waiting for it to happen.

As I look around my home I see lots of white butterflies, and other people have reported seeing them too. I'm told they are a message of hope, transformation, that our long awaited better world is coming. Spreading love, joy and blessings.

There is still a great deal of darkness with horrific things happening in the world. Yet I believe many of them are a clearing of the old energies, making way for better

Last year the British Society of Dowsters celebrated their 90th year. What an amazing achievement. They will hold a symposium in the coming months if anyone would like a trip to Malvern in Worcestershire, England. Closer to home, the NSW Dowsters will celebrate 40 years at a conference in the Blue Mountains later this year. They'd love some Victorian involvement.

In Victoria, next year is the 50th anniversary of the first dowsing meeting when our founder, George Williams, held meetings at his home in 1975. What should we do to celebrate? If you have any suggestions, please let me know. The Society was incorporated in 1997.

Lyn Wood, *President*

OUR LAST MEETING

Joyce-Kay presented to the DSV on Sunday 11 February. Her topic was "What is Psychic Therapy"? Her talk, covered how she became a Psychic/Medium and being the Principal Practitioner of "Divine Heart & Soul".

The highlight was when Joyce-Kay had everyone "pull" a Tarot Card. She proceeded to move around to each person, reading their card and offering her insights. It was very entertaining and, at times, hilarious.

BEAUTIFUL THINGS HAPPEN WHEN YOU TRUST THE UNIVERSE

Reprinted from Dreamcatcher Reality May 2017.

With thanks to the NSW Dowsters.

The law of attraction is a rather simple law. It's the use of visualization to manifest the things in life that you want.

In order to truly understand it, you must put a lot of work into it. No one is perfect at it, but these are signs you've learned to fully understand the laws of attraction.

1. You can see synchronicity.
2. Having fun is a top priority.
3. You don't carry baggage.
4. You take time to enjoy life.
5. You enjoy the company of others.
6. You expect great things to happen.
7. You're thankful.
8. You keep things positive.
9. You go with the flow.
10. You take responsibility for your life and actions.

WORLD PEACE

Editorial by Francois Capmeil in the January 2024 Newsletter of the NSW Dowsters.

Does the World need Peace?

This is a trick question because the World is not an entity, and cannot make changes. But the World is made of people, who can, and need Peace.

I always seem to come back to this subject that we need to look at ourselves. How often do you stop and really focus on yourself, not the I of ego, but the I of the person that you are, that lives and breathes, and that one day when that breath stops, will be no more.
